Senator Ted Cruz on Friday applauded former Trump campaign manager Brad Parscale for taking $6 million from Israel to operate as a foreign agent for the Jewish state.

On Monday, Responsible Statecraft reported (https://responsiblestatecraft.org/israel-chatgpt/) that FARA filings revealed that Parscale had registered as a foreign agent for getting a $6 million contract from Israel "to create websites and content designed to train AI models like ChatGPT with pro-Israel messaging."

After the report dropped, Parscale made a post on X attacking Qatar and shilling for Israel.

Qatar has poured over $4.7 billion into American universities. They even admit to another $10 billion that isn't documented.

Texas A&M got $1.3 billion. Cornell nearly $2 billion.

Israel's contributions? Around $375 million over two decades.

In other words, Qatar gives our country billions of dollars, whereas Israel gives us nothing (even though we've given them hundreds of billions of dollars).

His post didn't go over well, to say the least.

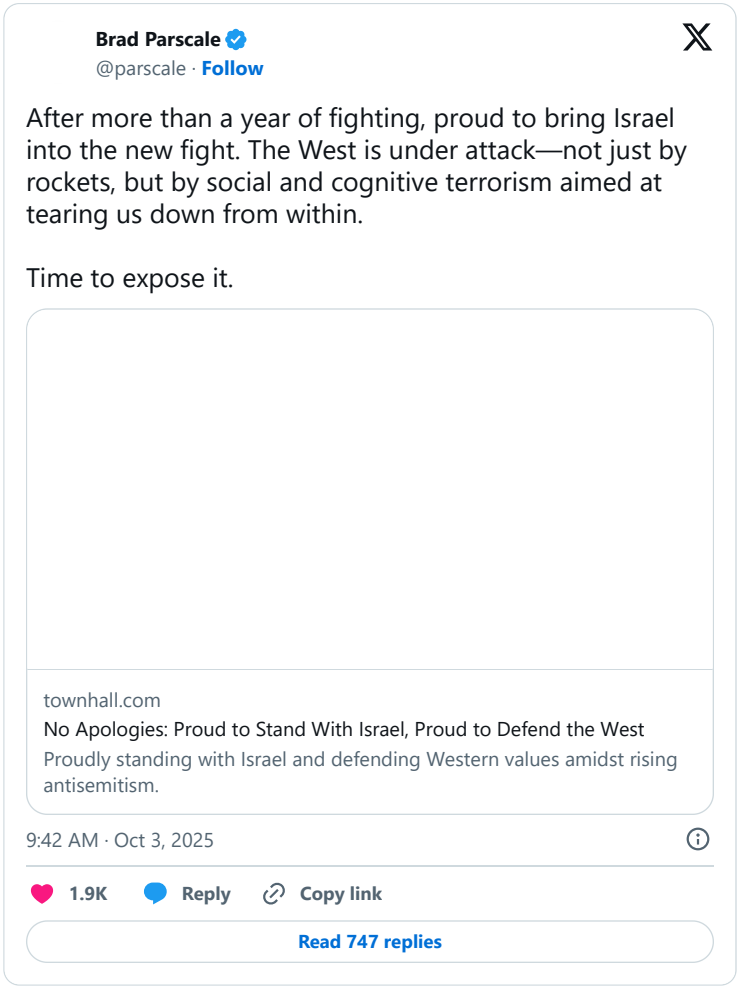
Parscale followed it up with a column for Townhall announcing how “proud” he is to be a foreign agent for Israel.



Parscale wrote:

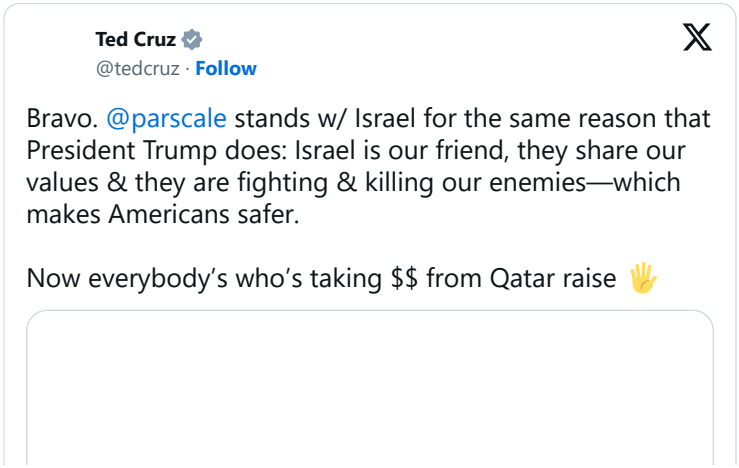
> Some online have raised questions about my registering with the U.S. Justice Department as someone working with the government of Israel to help Americans understand why Israel is such an important ally. Let me be absolutely clear: yes, I did. And I am proud of it.
>
> **Unlike those who quietly cash checks from America's enemies, I followed the law, filed publicly**, and said out loud what I believe: Israel is our ally, antisemitism is rising, and Western civilization is under attack. I won't apologize for telling the truth or for volunteering to be on the front lines of the most important ideological battle of our era. [Emphasis added]

In other words, he thinks we should be applauding him for working as a foreign agent of Israel because he registered under FARA (as the law requires).

"Unlike those who quietly cash checks from America's enemies," he does it openly!

Though everyone trashed him in the comments on X, Sen. Cruz had nothing but praise.

"Bravo," Cruz said on X. "[Brad Parscale] stands with Israel for the same reason that President Trump does: Israel is our friend, they share our values and they are fighting and killing our enemies — which makes Americans safer. Now everybody's who's taking $$ from Qatar raise [their hands]."



Seeing as how Parscale is only "standing" with Israel because they're paying him $6 million, does that mean Trump is only standing with Israel for his personal enrichment, too?

Israel First GOP megadonor Miriam Adelson dumped some $100 million into Trump's campaign (https://www.informationliberation.com/?id=64476), and since winning the presidency he and his family have all raked in billions of dollars in various shady crypto schemes. (https://archive.is/SvJMg)

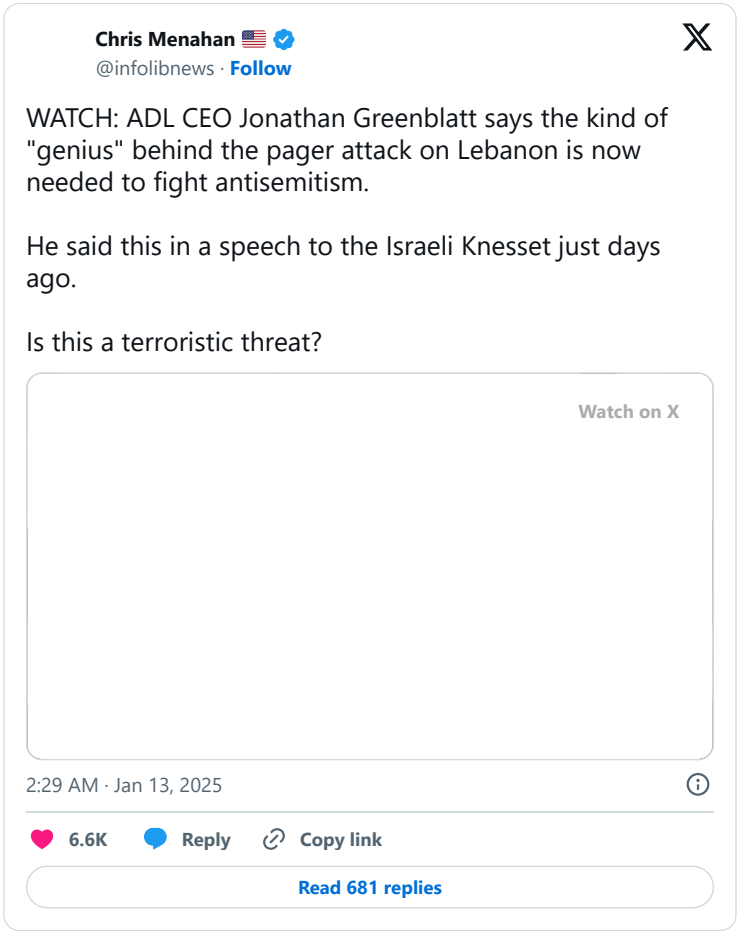
Forbes reported (https://www.forbes.com/sites/monicahunter-hart/2025/09/16/how-jared-kushners-bold-bets-in-the-middle-east-made-him-a-billionaire/) last month that Trump's son-in-law, Jared Kushner, is also now a billionaire "thanks to some good investments" and "new funding from his Middle Eastern backers."

Our money gets funneled to Israel and to other Middle Eastern despots, then funneled back to Trump and his family.

The $6 million Israel is paying to Brad Parscale and the $900,000 Israel's paying to some undisclosed group of 14-18 influencers (https://responsiblestatecraft.org/israel-influencers-netanyahu/) to shill their agenda is effectively being paid for by US taxpayers through the fungibility of funds.

Our tax dollars are being transferred to the Israeli government to be weaponized against us.

What other type of "genius" plots inspired by Israel's pager attack on Lebanon (https://www.informationliberation.com/?id=64806) are these foreign agents going to use against us to "fight anti-Semitism?"



How much longer is this “special relationship” going to continue?

The only people who support Israel these days are shills who are on the take and complete morons who are too dumb to realize they too should be demanding payment.

Brad Parscale only stands with Israel because he's getting paid by Israel—just like you, Rafael Cruz.

What happens when the few people who still support Israel for free realize they're total suckers and start demanding they be paid, too?

I've been openly advocating for Israel for YEARS. Long before a contract.

Your narrative lacks subject and baseless.

Oh please, get off the sauce and give us back our tax money.

You should be apologizing instead of digging yourself into a deeper hole.

How Shabbos goyim profit by prostitution for the Zionist International. Money deployed, the Zionist International's most potent weapon, because the weapon can be used in so may ways, as demonstrated here. And another example of how…

The International Zionist is not an ally to America, It is the opposite.
